Thank you for shopping with us! Wainscot and paneling are great ways to add visual interest to walls. Paneling is used to cover an entire wall, while wainscot stops at the chair rail. Wainscot with a 'V' provides a simple forty-five degree 'V' profile along the edges of the stock. Designed for 3/4" thick stock and creates an interlocking 1/4" tongue and groove joint for ease of assembly. Refer to Diagram T - 1/4 in T1 - 3/8 in
