Item #502, Whiteside Machine Roundover & Beading Router Bit Set **\$130.88**

Thank you for shopping with us! Easily round off all your square edges with lightweight 1/4" capacity hand routers. Keep the whole range of sizes (R1/8", R3/16", R1/4", R3/8", R1/2") neatly organized and right at your fingertips. As with the 1/2" shank set, this kit comes fully equipped to extend its usage by converting to Beading, i.e., Roundover with a decorative step. Set comes in a durable plastic case to protect and organize your tools. Also sold in a 1/2" shank option. Contains: 2000, 2000C, 2001, 2003, 2004, five B2 bearings, and wrench.
